ANNOUNCING: A New Location for GLRLL 2010!

After a 17-year stretch at Camp Cavell, GLRLL is changing locations for 2010 Lab. Located just north of Lapeer, Michigan, Lions Bear Lake Camp Retreat and Conference Centre is owned and operated by Lions Visually Impaired Youth Camp. The camp opened its doors in July 2000. It is financially supported by Lions, Lioness and Leos throughout Michigan. Camp Director Dennis Tompkins is a "Rec Lab Alumni", and is familiar with our organization.

Thank you to the Camp Search Committee for their research and hard work: Martha Ballou, Julie McBride and Melissa Miller.

For a sneak peak of Bear Lake Camp Retreat and Conference Centre, visit their website at www.bearlakecamp.org. You'll find pictures of the facilities, a list of amenities, directions to the Camp and more!

Mark Your Calendar! GLRLL May 14-19, 2010!

Be sure to visit us online at www.greatlakesreclab.com. As planning for next year's Lab progresses, you'll find updates on the site. You can also share the site with friends and "potential labbers". Thank you to Marianne Fallis for creating and maintaining our website, a key tool for publicity. If you have comments about the site, or photos to add to the site, you can email them to info@greatlakesreclab.com.

Introducing General Session Leader: Martha Ballou!

We are thrilled to announce that the General Session leader for next year's lab is Martha Ballou. Martha is a long-time member of GLRLL and has provided leadership to the organization through her numerous terms on the board. Her skills and contributions have been recognized through the Chester Graham and Jack Worthington awards.

Martha will be sharing her skills in communication and her gift of humour with us through interactive and engaging session as she challenges us to think about our interactions with others. You won't want to miss it!

We Need Your Talent! Volunteer your skills at Lab 2010

Members of Great Lakes Recreation Leaders Lab, your organization needs your unique talents and skills to help us put on another successful Lab in 2010.

Do you have an artistic flair? We could use your assistance to create items such as nametags and welcome signs. Are you rhythmically inclined? We need people to lead songs and evening dancing. Passionate about continuing education? We are seeking a couple of go-getters to organize the return of CEUs. We are also in need of someone with current First Aid Certification in order to fulfill our contract with the new site.

There are many roles to be filled and many jobs to be done in addition to those mentioned above. Please contact any board member as soon as possible if you are interested in volunteering. We appreciate your support.
